
TODAY (TAB)

Personal message:

- **Welcome back, Dirk**
- ADD FIELD:
 - New personal tagline, changes each time app starts.
 - Tagline examples:

FOCUS = Present-moment clarity, task-directed attention, reduced noise

- **Lock in. One shot at a time.**
- **You don't need more time, just more attention.**
- **Everything else can wait. Right now matters most.**
- **Quiet the noise. Trust the target.**

CONFIDENCE = Self-trust, inner belief, owning preparation

- **Confidence isn't a feeling, it's your preparation showing up.**
- **Back yourself. You've earned the right.**
- **No hype. Just trust.**
- **Let your routine do the talking.**

CONTROL = Emotional regulation, bounce-back, composure

- **Control isn't not feeling, it's responding with clarity.**
- **Whatever happens next, you've got a plan.**
- **Reset. Rebuild. Respond.**
- **Composure wins more than talent.**

- ADD ... (Underneath the personal message):
 - Text Header:
 - **TODAY**
 - Tagline:
 - **Momentum overview. It's where your mind and game meet ... today!**
